

Beach Theme Champagne Flutes

Contributed by Bella Prescott

One of the greatest moments to look forward to on your wedding day is the toast - first to each other and then to your wonderful friends and family. You want it to be absolutely flawless - and you can with the gorgeous starfish champagne flutes from Beach Theme Wedding Shop. These gorgeous champagne flutes feature delicate, personalized script etched into the flute of the glass with ivory or white sparkling starfish nestled between the base of the flute and the stem. They'll make a wonderful impression on your guests as you raise your glasses to toast to the crystalline sand and turquoise blue waters. The Beach Theme Wedding Shop's starfish champagne flutes will take your breath away as soon as you open the package!

Not only will you have the picture perfect toast with these starfish champagne flutes, they'll become keepsakes to remind you and your husband of the best day of your lives. Break them out on anniversaries to hear the sound of the waves come rushing back to you or bring them with you on vacation to once again remember what it felt like as newlyweds soaking up every minute of the sun on a beautiful beach.

Why settle on any other champagne flute when you're having a one of a kind beach wedding? Simply put, you deserve the best.
